REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The mission of Northside Elementary School, in partnership with home and community, is to challenge every child to be a "Learner for Life." It is this team approach that makes Northside such an inviting, warm, safe and nurturing place. These attributes earned Northside the prestigious Red Carpet Award for our service to children and the school community. We are a school of high expectations that wishes the very best for every child. Northside Elementary is a community of 350 students in kindergarten through grade five. There is an even split between male and female students and a variety of cultural backgrounds represented. Our class size in grades 1-3 averages 19 and in grades 4 and 5 the average is 21. Students and staff here at Northside have the privilege of being in a building that is clean and attractive both outside and inside. The media center has an open format and averages 29,000 books checked out each year. A fine arts program offers many cultural opportunities for our students. Speech, Reading Recovery, English as a Second Language, a Preschool Intervention Program, a Hearing Impaired class, a Reading Strategies class, a Resource class and a Self-Contained class all aid in the development of children needing additional assistance. Northside Elementary offers a comprehensive guidance program with a variety of programs to enhance each child's personal well-being. A gifted and talented class serves students who score at the state identified level. All students in grades 3-5 have an opportunity to research and present projects that are of their interest. Students in grades 3-5 have the opportunity to participate in a literacy lunch program throughout the year to encourage and support reading. We are increasing our emphasis on technology. Students have the opportunity to visit the media center, and computer lab as well as a wireless computer cart that is used in multiple rooms. The staff of Northside also does a terrific job in handling day-to-day clerical needs, keeping the school looking great and preparing meals through our breakfast and lunch program. Support from an active parent group as well as the School Improvement Council provides necessary input for continued growth and school improvement. It is this well-rounded approach and quality daily instruction that has made test scores of Northside students consistently higher than the state averages. Northside also met the federal mandate in the No Child Left Behind Act of making Adequate Yearly Progress (AYP) for the second year in a row. Northside was recognized by the Education Oversight Committee for closing the achievement gap in various population subgroups. There is still a yearly analysis of these scores to continually seek ways to improve upon our daily instruction and support programs. Through the commitment of the Northside staff, it is our goal to meet each child's needs and encourage them to be "Learners for Life."
